

Unique characteristics

MORA MARE I

Stillness is the word that springs to mind with the Mare I. Its contemporary, freestanding form is as much a work of art as it is a place to relax.

A symmetrical bath, with a centre plug and modern 3 cm thick edge, it comes in two sizes, with an overflow that's been designed to minimise water staining.

About the collection

The Mare range, meaning ocean in Latin. Freestanding baths in premium acrylic with timeless flowing lines, generous thick edging, and peace-of-mind functional attributes.
