

MORA INXX II shower kit

With its durable, trendy polished brass finish the INXX II combines classic design with high performance, constant temperature, outstanding comfort and effective scald protection. The mixer has been tested and approved according to current building regulations and is energy-efficient, which means it reduces water and energy use without compromising on comfort. The INXX II collection offers a world-class water experience.

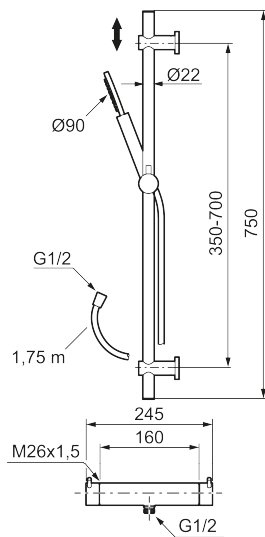

About the collection

INXX II is an elegant, timeless collection in a palette of carefully selected colours. Offering a combination of high quality, sober design and outstanding comfort, this is the ultimate collection.
