

MORA INXX II pullout kitchen mixer

Featuring a durable chromed exterior and a contemporary form, INXX II pullout adds an elegant luxury to a kitchen. The mixer has a pullout hand shower, easily switchable between a regular water stream and a shower – resetting itself to normal when the water is turned off.

It has an integrated dishwasher shut-off for easy peace of mind. This dishwasher shut-off is discreetly placed and electronically controlled, shutting off the water supply to the dishwasher 4 or 12 hours after activation.
