

MORA INXX II pullout kitchen mixer

With a resilient matte black tone and a paired back expression, INXX II soft contributes to a luxurious and elegant kitchen.

The mixer features a pullout hand shower that can be switched between a regular water stream and a shower. When the water is turned off, the stream automatically resets to its standard setting.

Article number: 272031.12CA **Flow 3 bar:** 5.9 l/m
