

Unique characteristics

MORA MARE IV

A D-formed design that can be positioned flush to a wall while retaining the sleekness of a freestanding bath, the Mare IV hits the sweet spot of function and aesthetics.

The symmetrical design can be selected with an 800mm width to allow two adults to bathe comfortably.

Made in durable acrylic for ease of maintenance, with its slimline, contemporary 15mm thick walls give a generous bathing experience without being oversized.

About the collection

The calming Mare range, meaning ocean in Latin. Freestanding baths in premium acrylic with a lighter edge thickness.

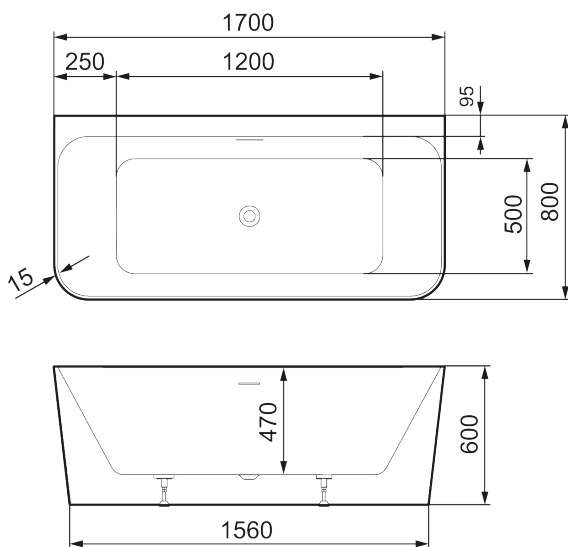

Clean lines and easy curves combine with function and convenience.
