

MORA INXX II pullout kitchen mixer

The resilient matte black shade and gentle design language of the INXX II soft faucet bring a luxurious and elegant aesthetic to your kitchen.

The mixer has a convenient pullout hand shower with the option to switch between a regular water stream and a shower. The stream returns to normal when the water is turned off.

The faucet's integrated dishwasher shut-off is discreetly placed and electronically controlled, shutting off the water supply to the dishwasher 4 or 12 hours after activation.
